ABOUT ME

I am a university student who is well-versed in a wide range of subjects, always learning new skills and absorbing any information that interests me. Often described as someone who has a strong ability to swiftly and effortlessly process, comprehend and memorize new information. Logical and analytical mindset, problem-solving and strategic way of thinking. I excel at solitary work, but I can also easily and effectively work as part of a team, being good at socializing.

WORK EXPERIENCE

Briefly worked as an associate for a company specialized in creating graduation albums for middle school and high school students.

Applications used: Adobe Photoshop and Adobe Acrobat.
